HOW TO PLAY

1. Pick a rock.
2. Do the PRE-GAME (PRE-GAME is on the board).
3. Put your rock on START. Roll the die and go! It doesn't matter who goes first.
   - Each space you land on, follow the instructions for that space.

   - The Object of the Game: the player with the most Smileys ☺ wins.
     NOTE: You can die early and still win!

DETAILS

- ☺ = SMILEYS: Joy, Love, Happiness, Excitement, Pleasure, Memories

  You cannot lose ☺ only get them. Recieve the number of ☺ in the space.

- **HP** = HEALTH POINTS (HP)
  You will GET HP and LOSE HP throughout the game.
  If you drop down to 0 HP you are dead - GAME OVER.

- $ = MONEY
  During the game you will GET money, LOSE money, SPEND money (you must have money to spend money), ACQUIRE DEBT (for college or a farm) and have an INCOME (see PAY DAY). If you lose 1/2 $ (one half of your money) but you have $0 or are in debt - lose $0.

ANOMALIES

- STOP - SOMEONE WANTS TO MARRY YOU
  This is the only space in the game where everyone has to STOP.

- PAY DAY / INCOME
  At the 26th space the path splits based on your class. Here you will get a JOB. Your job gives you an INCOME (put income on your scoresheet under NAME). Each time you pass over PAY DAY you collect your income (put income amount in your $ column). If you land on PAY DAY you collect your income and follow the instructions for that space. Do not follow instructions for the space when you just pass over PAY DAY.

- (or not)
  If the space says (or not) this space is a choice - you can choose to do or not do. SEX and DRUGS are always (or not).

- DRUG CHART (SEX CHART)

  When you land on a DRUG space a specific drug is being offered to you - you can say yes or no to the drug (or not). If you say no - do nothing. If you say yes - roll the die for that specific drug on the drug chart. SEX is like DRUGS - a choice.

- CLASS
  Throughout the game you remain the class you were born.

- REVENGE!
  If the rich player has no money (Shaman or bum), they cannot be sued.

- ARROWS
  1. Follow the arrow that applies to you: poor / mid / rich, kids / no kids
  2. Follow the arrow with no words - your choice.
  3. Follow the arrow straight through the intersection then under the intersection.

- NO PREGNANCY
  - GAY / LESBIAN OPTION
  - POST MENOPAUSAL (female only)
  For these two sex situations, when you roll the die on the SEX CHART, if you roll a six (pregnancy) ROLL AGAIN to get a one through five. There is no chance of pregnancy.

- NEAR DEATH EXPERIENCE CARDS
  Like "Get out of Jail free" cards, if you get a card hold onto it. Now if you die you come back to life with 10 HP.

- BLACK HOLE NURSING HOME
  This is the only time you leave the path.
  Put your rock on the spiral and roll the die until you run out of HP.
  You can never get out of the Black Hole Nursing Home.
  But you might get some Happiness.

ENJOY! CHRIS
